

DB Schenker **Insurance.** Worry-free **international shipping.**

We don't just move your goods; we protect them. With our years of experience and dedication in assisting our customers, DB Schenker will provide you with excellent support and guidance. Experienced in cargo insurance for trading companies, exporters and importers, our risk management professionals will work to ensure all your coverage needs are met. As a leading global logistics company, we offer a single-source complete risk management solution.

Taking the complexity out of insurance and the risk out of shipping. As the world economy continues to expand, so does the volume and complexity of international cargo shipments. DB Schenker offers a comprehensive range of products specifically designed to meet the changing needs of today's sophisticated cargo shippers. Through DB Schenker's risk management solutions, our brokers and underwriters obtain coverage for your shipments in a prompt manner anywhere in the world.

Our complete insurance solutions at-a-glance

- **Protect your bottom line:** Cargo insurance can provide coverage that carriers do not. Our all risk cargo policy is the broadest form of shipping insurance available. When the carrier does not insure your cargo – or their liability is less than the value of your goods – using DB Schenker's insurance services protects margins.
- **The speed you need:** With DB Schenker insurance solutions, claims are managed and paid more quickly than the industry average.
- **Protecting your money:** "General average" underwriting could cause your claim to be undervalued. Your DB Schenker insurance specialist can help you avoid this and other hidden risks.
- **Global reach with local expertise:** Our 140-year reputation of safe and secure transit of cargo means we partner with the world's top-rated international insurance carriers. Our network of experts in every major port in the world can guide you to the correct insurance carrier, providing you with proper coverage and guidance you need.

DB Schenker **risk management solutions.**
Reliably delivering **convenience, flexibility** and **value.**

For a complete door-to-door insurance solution, we also offer:

- **OPEN Cargo Insurance** is an all risk cargo policy which is the broadest form of shipping insurance. An open cargo policy automatically insures your company’s shipments on set terms, conditions and rates without the need to contact your insurance brokers or transportation carriers each time your cargo is moved.
- **Warehouse Insurance:** An open cargo insurance policy can extend to goods stored during the normal course of transit. High-limit specific warehouse coverage may be added as well. This can also include flood, windstorm or earthquake coverage as required.
- **Domestic Transportation Insurance:** Domestic transit coverage can be added to cover all shipments within each individual country, whether by motor truck, railroad, aircraft, barge or package service.

Why choose DB Schenker?

Our Advantage	Your Benefits
Access to Top Global Insurance Carriers	Your cargo is even more secure with policies underwritten by top-rated international insurance carriers.
Lower Cost and Broader Coverage	We offer broader coverage at lower rates than broker-issued policies due to our global purchasing power.
Insuring Difficult to Insure Cargo	As one of the world’s top logistics providers, our volume allows us to arrange coverage that is not otherwise offered.
Dedicated Liaison to Assist with Claims	In the event of a claim for loss or damage, we work as a liaison between your company and the insurance company. You’ll save time and money, and our experts can assist in recovering your full claim.

How do you get a quotation?

It’s simple. We have you covered whether you are a one time shipper or a large multinational corporation with a complex supply chain. Please contact your risk management professional directly at Americas.Insurance@dbschenker.com to see how we can help you protect your valuable freight.
